

In re Patent Application of: ROY
Serial No. 10/789,452
Filing Date: February 27, 2004
Attorney Docket No. 11779-US-PAT (80239)

REMARKS

In reviewing this application in preparation for the payment of the issue fee, Applicant has noted grammatical errors in the claims. This amendment corrects the grammatical errors.

Claims 1-6, 8-16, 18-28, 30-41, 43-47 and 49-51 remain in this application. Claims 21 and 35 are amended. Claims 1, 6, 8, 11, 16, 18, 28, 30, 41, 43, 49, 50 and 51 have been previously presented.

Applicants thank the Examiner for the Notice of Allowance mailed June 14, 2010. Upon review of the claims to be issued, the undersigned attorney noticed a typographical error in the preamble of each of the independent method claims 21 and 35. The claims previously stated a method of accessing a server of a server on an internet protocol (IP) network. The actual language should be a method of accessing a server on an internet protocol (IP) network. The clause "of a server" is a redundant phrase as a typographical error and should be removed.

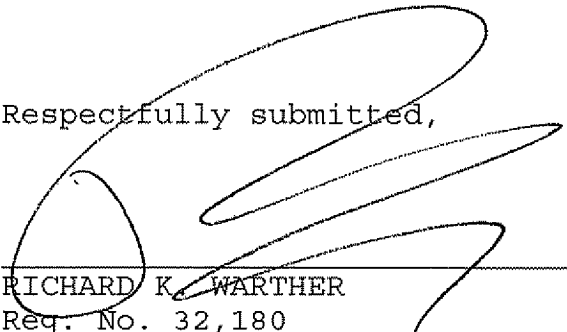

Applicant submits that these corrections do not affect the allowability of the application and would request that the application not be withdrawn from issuance.

If any extension and/or fee is required, authorization is given to charge Deposit Account No. 01-0484.
